

Production Specification

Product Name	PVC Protection Tape	
Part number	3593350	
Application	Easy to tear. No residue. Applicable to mark, artwork, paint. Excellent for protection of metal surface	
Name of backing	SPVC (plain film)	
Spec. of backing	0.10 mm (thickness) x 1330mm (width) x 1000 M (length)	
Color	Orange	
Type of adhesive	Rubber based adhesive	
Coating thickness	15 ~ 17 μ	
TEST ITEM	UNIT	SPECIFICATION
Total thickness	mm	0.130 +/- 0.016
Adhesion	kg / 25mm	0.350 \uparrow
Adhesion to backing	kg / 25mm	
Initial tack	# of rolling ball	20 \uparrow
Holding power	minute	60 \uparrow
Tensile strength	kg / 25mm	3.5 \uparrow
Elongation	%	140 \uparrow
Breakdown Volt.	Unit	
Volume resistivity	Ω -cm	
Remark :	Finished product specification: The following widths can be adjusted and cut: 50mm, 75mm. The log rolls can be wound into length of 33M.
